

UTC 3rd/4th Grade January Jamfest Rules

1) WIAA Rules will be followed unless specified below. All players should be enrolled at the school they are playing for, and all players need a uniform with a number.

2) Each game has two halves, 18:00 in length. The clock will stop the last minute of each half.

3) If one team is behind by more than fifteen points with 1:00 to go in the 2nd half, the clock will automatically run continuously for the remainder of the game.

4) Each team will be allowed 2 full timeouts/game. If there is overtime, both teams have one timeout only, regardless of what they had prior to that. No timeouts carry over.

5) If a game is tied at the end of regulation, teams will play a 90 second overtime. If it is still tied after one overtime, there will be a sudden death overtime, with the first team scoring being the winner.

6) Defense/Pressing

- No zone defense and no pressing allowed

7) Basketballs

- All teams must provide their own basketballs.

8) Free Throws

- 3rd and 4th graders will shoot from a line placed 13 feet from the hoop.

9) Point Differential

- Cap of 15 points for +/- point differential when determining places or seeds.

10) Games will start on time if possible. If games run behind schedule, teams should be ready to go when the previous game ends as there will only be a 3:00 warm up period.
